

I. Introduction

- A. Background information and context
- B. Thesis statement

II. Literature Review

- A. Overview of relevant literature
- B. Analysis of key studies
- C. Identification of gaps in the literature

III. Methodology

- A. Research design
- B. Participants
- C. Procedures
- D. Data analysis methods

IV. Results

- A. Presentation of findings
- B. Discussion of results

V. Conclusion

- A. Summary of key findings
- B. Implications of the study
- C. Limitations and suggestions for future research

VI. References

- A. List of sources cited in the paper

VII. Appendices

- A. Additional materials, such as survey questions or data tables
